The Triton Museum lease (adopted April 16, 1998) requires that "any further donations to the Triton and the City be reported to the City Council on a semi-annual basis, June 1 and December 1 of each year."

In observance of this requirement, the Triton Museum has provided a report (see attached) stating that for the reporting period December 2, 2007 through December 1, 2008, there have been no new acquisitions to the permanent collections of either the Triton Museum of Art or the City of Santa Clara.

ADVANTAGES AND DISADVANTAGES OF ISSUE:

The advantage is the City will have an accurate report of donations to the Museum in compliance with the lease. There is no disadvantage.

ECONOMIC/FISCAL IMPACT:

There are no additional cost to the City other than administrative time and expenses.
